

COMMON SENSE LENDING IT'S IN EVERYTHING WE DO

Buy to Let

Background

- Sole application first time landlord with the applicant currently living at home with parents and had never owned a property before
- The applicant's dad sadly passed and left his property to the applicant and his brother – probate had already gone through and there was no mortgage on the property
- The applicant wanted to buy out their brother's share and rent it out as a BTL

What did we do?

- We were happy to agree this scenario given that the property was inherited and would be used as a BTL
